- Assists in evaluating the applications, conducts private interviews, and group activities as a part of the candidate selection team to select the new generation of Iranian UWC students.

PROJECTS

Tetris Puzzle iOS Application (Swift, IOS)

• Developed a puzzle game with a team of three students. Designed the main User Interface and User experience of the application. The user is given a blank puzzle pattern which they need to solve by matching the suitable Tetris pieces.

Fantasy Safe (Java, Android)

• Developed a counter application with the idea of providing a fun and easy way to track resources in fantasy games. The app uses two fragments for displaying and controlling the counter value. SQLite database was implemented for saving and retrieving data.

Sudoku Solver (Pvthon)

• Developed and designed a program in a team of two students that solves Sudoku puzzles by utilizing a backtracking algorithm. The script prints a board in a sorted 3 by 3 squares display for an easy and simple readability.

Smart Mailbox (Python)

• Designed and created an IoT system by utilizing a Raspberry Pi, which sends email notifications to the user when their mailbox has received new mail.

Online Portfolio (React, Next JS, JavaScript, HTML, CSS)

• Developed a website using React and React and Next JS. The UI was implemented using "Responsive Web Design" so that it is compatible with a wide variety of devices.

My Planner Application (Java)

• Created a Planner App in a team of two students. Designed the main User Interface and User experience of the application. The App allows the user to keep track of various tasks in selected orders such as due date, time, category, and user-set priority on a scale of 1-4

OTHER EMPLOYMENT AND INVOLVEMENT

Resident Assistant, Macalester College, MN

January 2022 - Present

- Oversees 33+ students within dormitory-style living space. Available 24/7 to help resolve conflicts.
- Executes administrative duties: budgeting, maintenance requests, incident reports, and room transfers.
- Manages disciplinary actions, supervision, and organizes social events to help foster relationships between dormitory residents.

Student Government Diversity and Inclusion Officer, Macalester College, MN

November 2021 - May 2022

- Lead, initiated, and worked closely with students and faculty to promote equity, diversity, and inclusion at Macalester College.
- Lead a committee of four students, to plan and arrange the Macalester Cultural Evening annual celebration for the student body.
